ECLIPSE ONLINE PRIVATE HEALTH BILLING

If you require any admission to hospital, our Doctors are **No Gap Cover Practitioners.**

The Medicare Rebate payable by Medicare and your Private Health Insurance Fund will equate to the total fees for any in hospital services provided by our doctors.

Hollywood Haematology Group uses Eclipse on-line billing to lodge any claims for in-patient hospital services. This means that your private health fund will be billed directly for any in-patient hospital services provided by Dr Augustson, Dr Cheah or Dr Gangatharan.

Any services provided by other Doctors such as Anaesthetists, Radiologists, Nuclear Physicians or other costs associated with your stay in hospital such as accommodation, pharmacy or physiotherapy are not the responsibility of this practice.

I authorise Hollywood Haematology Group to lodge any Private Health Fund claim electronically for services provided in hospital.
